2021 Application Process

*This is a ONE year grant cycle

* This application process will allocate funds ONLY to community impact programs focusing on Education, Income, or Health, must have measurable outcomes, and must be implemented in the W-SR Area United Way Service Area. (Bremer County and part of Butler County).

* An agency may submit an application for more than one program.

* Please ask if you have questions. Jill does not vote in the allocations process and is therefore available to answer your questions about the process, application content, or fundable programs. (Contact information at the bottom of the page)
