WHAT OTHERS ARE SAYING ABOUT US:

Donating to United Way is a "no-brainer" for me. With one donation I can help support over 20 non-profit agencies that make the Waverly-Shell Rock region a better place to live. I like that a local board decides how donations are best distributed and that over 99% of my contribution stays local. I count on United Way to be there for my community and in return, United Way can count on me to contribute every year.

-Ann Rathe,
Donor &
Waverly Council Member

Our family found ourselves in need of support for basic needs. United Way was able to guide us to multiple resources to allow us to overcome our struggles without judgment.

United Way was not my first call for help, but it was the call that got me the help I needed.

I've lived in Waverly for over 10 years and I never realized the level of need that exists amongst us. In 2017, I was given the opportunity to make a delivery of Holiday gifts and basic household needs to a local family. A generous donor assisted this family with Holiday gifts. Nothing prepared me for the emptiness I witnessed when I entered that apartment I had driven by many times. We cannot continue to ignore this level of need. We must join together!
